Our commitment to health and wellness

A message from the Superintendent

In Chinook's Edge, we know that supporting a healthy environment in our schools will positively impact the achievement and social emotional well-being of our students and staff. The global situation shows us that now, more than ever, our division's focus on wellness will ensure our students remain engaged and ready to learn, even as our circumstances change and evolve.

Our division has a long-held priority of caring relationships at every level. Relationships Matter in Chinook's Edge, and we can draw on that foundation in the coming months to support a sharp focus on our divisional goals that will continue to set our students up for success: Literacy, Academic Excellence, Career Connections, and Social Emotional Well-being.

On behalf of the Board of Trustees and our Central Office Leadership Team, I wish everyone in our Chinook's Edge school communities a happy and healthy new year.
