## Courageous and compassionate global citizens

A Message from the Superintendent

The global situation is certainly providing a new definition of what good citizenship truly means. In Chinook's Edge, we believe citizenship involves the character of an individual and their respect for the greater societal good. A high measure of good citizenship is certainly occurring across our school division. Our schools are filled with students and staff who are continuing to learn together, to take care of one another and to look beyond our current challenges with a sense of unity and resolve.

Our people in Chinook's Edge are feeling stretched, but they remain determined to continue providing what our students require from us. An example of this was displayed on a bulletin board in one of our elementary schools, where students completed the phrase, 'Children should feel \_\_\_ at school.' They said loved, excited, happy, safe, smart, proud, believed in. Thank you to everyone in our school communities who provide all of this, and more, to students each day, particularly at this time in our world.

From the entire Board of Trustees and the Central Office team, we wish everyone a safe and restful holiday season.
