Mrs. Abraham - Grade Six Teacher

What do you miss most about school?

I miss interacting with my students every day.

What are you doing during this time of physical distancing?

I have been helping out a bit more with calving this year, gardening, and sewing Mrs. Lyzenga's baby present.

What is the first thing you are going to do when this is over?

When this is over I would like to spend some time with my nieces and nephews!

Mr. Wendell - High School Math & Science

What do you miss most about school?

I miss most is the conversations with my students. Getting to know them, telling jokes in classes, and going on tangential stories about the ridiculous lives of 18th and 19th century scientists.

What are you doing during this time of physical distancing?

Currently most of my time has been spent creating content and videos for my students so that they can keep learning from home. Using Google Meets to visit with friends, keeping in touch, and on occasion coordinating games to be played or pranks to be pulled.

What is the first thing you are going to do when this is over?

Invite my Grandmother to come visit me in my new house. I am also planning on puppy proofing my house in anticipation of a new arrival

## THOUGHTS FOR SPRUCE VIEW
