Mrs. Ellingson - Grade One Teacher

What do you miss most about school?

I miss seeing all the little people getting on and off the bus and trying to waddle to school because their backpacks are too huge for their little bodies

What are you doing during this time of physical distancing?

Math with Kate on the trampoline, tutorials in my sunroom, baking and typing, typing, typing...

What is the first thing you are going to do when this is over?

I want to have a big campfire potluck with my whole family.

Mr. Wik - Athletic Director

What do you miss most about school?..

I miss seeing the hard work and competitive spirit that the students put into PE class and Athletics. I also miss the little conversations I have with students about how they are doing in and out of school athletics, what they did on the weekend and many other things.

What are you doing during this time of physical distancing?

I am spending a lot of time with my wife and two daughters. We are getting yard work done, going for bike rides, and working out together.

What is the first thing you are going to do when this is over?

The first thing I am going to do when this is all over is to head to BC with my family on a camping trip

## WHAT'S AVAILABLE FOR SPRUCE VIEW

If you require a little help

**SPRUCE VIEW  
&
