Mrs. Roth - Educational Assistant

What do you miss most about school?

I miss the routine of my week, carpooling with my coworkers, and face to face interaction with students and staff.

What are you doing during this time of physical distancing?

Currently we are getting our house ready to sell as we are wanting to purchase an acreage. Completing a lot of online PD, catching up on a few new movies, and spending the extra time helping my daughter Skye with her school work.

What is the first thing you are going to do when this is over?

I am looking forward to being able to have my family come over to our house for a Smoked Brisket Dinner and game night, that will result in our granddaughter having a sleep-over at Grandmas!!!

Mrs. Thompson - Educational Assistant

What do you miss most about school?

I really miss recess... Being outside and watching all our students run and play everyday is a joy and i miss it very much.

What are you doing during this time of physical distancing?

I have been busy during this time helping students, taking some courses and doing home renovations....and being a mom

What is the first thing you are going to do when this is over?

When this is all over i am looking forward to getting together with my family and going on a road trip with my son Chris.
