Mrs. Haupt - Educational Assistant

What do you miss most about school?

I miss seeing all the kids and the teachers/staff! I miss hugging ... high fiving ... saying hi to everyone as they get off the buses!

What are you doing during this time of physical distancing?

I am working with kids during this time through Google Meet! Its been a great learning experience, and fantastic to be able to connect with students still!

What is the first thing you are going to do when this is over?

The first thing I'm going to do is see my mom and dad. I haven't been able to see them as they live in a seniors complex and we aren't allowed in! When we are allowed back at school ... I definitely can't wait to hug and smile and laugh with all the students at Spruce View School!!!! It will be so great to be a school family again.
