WE ARE IN THIS TOGETHER

I have had the privilege of watching both the teachers and the staff work on this 'new norm' of how to engage with students and families from a social distance. I myself have learned how to Google Meet, join a Google Classroom, and so much more. I loved the Phys Ed videos we posted on Facebook. A big thank you to all teachers, staff, parents, and students for continuing to learn. The biggest lesson through all of this is we are learning to be kind to one another. A lesson I hope we never forget.

Mr. Mallinson - Grade Seven Teacher

What do I miss most about school?

The thing I miss most about school is seeing my students and getting to chat with them face to face everyday. As well, I miss seeing the other teachers and staff members around the building and catching up on what we have been up to.

What are you doing during this time of physical distancing?

Right now I am raising my new puppy Finn, and working on my house.

What is the first thing you are going to do when this is over?

Something that I have been missing terribly is cooking for friends and family, so when this is over and it's safe to do so, I would love to have a big barbeque at my place and see everyone again.

Mrs. Thompson - Grade Three Teacher

What do I miss most about school?

I miss seeing all the children in the hallways, classrooms, and playgrounds. I miss working with my wonderful team of teachers, admin, custodial, and support staff. I miss the hugs, laughter, and helping students through their frustrations.

What are you doing during this time of physical distancing?

I am working hard to connect with and teach my students. I am always looking for fun and interesting activities to share. I go for lots of walks with my family and dogs. I practice yoga every day!

What is the first thing you are going to do when this is over?

The first thing I will do when this is over is go visit my parents. I miss them so much. I talk to them every day, but it's sure not the same as seeing them in person. I can't wait to give them lots of hugs and kisses!

WHAT'S AVAILABLE FOR SPRUCE VIEW

"FRIENDLY PHONE CALL" CHECK-IN SER-

If you or someone you know could benefit from a check-in phone call during these times of isolation, please contact

Spruce View FCSS at 403-505-9091 or
Email: phetu@rdcounty.ca

We are only able to provide phone calls not 'in-person' visits.

If you require a little help
