Greetings from Spruce View School Administration

I would like to take a moment to recognize the hard work and efforts put forth by all students and staff in 2019. We had a great year here at the school and the people make this a great place to work and grow. We wish everyone a happy holiday season with a chance to get 'Unplugged' and reconnect with family. Please take those moments to be thankful for the relationships that we have in front of us and enjoy some well deserved rest over the break. We look forward to seeing everyone back here on January 6, 2020.
