

Dear SVS Families,

With many new families, we thought it was important to remind everyone of our parking lot safety habits:

Before school:

- Please **reduce speeds** in our parking area for student safety.
- **Quick lane drop off** for private vehicles is located at the east end near the greenhouse and high school entrance & at the west corner between the garbage dumpster and the portable classroom.
- **Do not drop off students at the fence or in the parking lot** and have them walk independently through the parking lot to the sidewalk. You may choose to park anywhere and walk students safely into the building.
- The red-painted curb area along the west sidewalk near the gym wall is only for bus drop off from 8:25-8:40 am.

During the school day:

- There is no assigned parking at SVS and you may park at your convenience.
- Student drop off or pick up must be **signed-in/out by the adult through the main office.**
- Parents and visitors may enter the school at the front foyer but should only enter the hallways by appointment.

After school:

- When buses are parked along the sidewalk, **no students or families should walk between the bumpers of two closely parked buses** into the parking lot.
- Private vehicles **should not drive alongside parked buses** in the narrow lane of traffic by the gym.
- All exiting traffic should leave via the middle approach (straight out from the main entrance) to the highway.
- *Please respect that for safety reasons certain students may have a pre-arranged pick up that involves a closer proximity to the main doors.*

Thank you in advance for helping to keep everyone safe in our parking lot and being kind to all drivers and pedestrians at Spruce View School.
