

Ready to learn in our safe and caring schools A Message from the Superintendent

In Chinook's Edge School Division, we take pride in building meaningful relationships and trust with our students. This is a critically important foundation for creating a safe and caring environment in our schools. I want you to know that our caring staff are as committed to developing your child's well-being as they are to ensuring they learn at the highest levels possible, even in difficult times.

Throughout the pandemic it has been a struggle for all of us at different times along the way. Safety is always on our minds as we work hard to consistently follow the guidelines from Alberta Health. We are very proud of our staff for all that they continue to do to support your child in finding success in spite of what is taking place all around us.

In the days ahead we want to not only be safe during the pandemic, but to also be prepared for the hazards of winter weather. We know from previous years that winter weather can fall upon us at any time. Please make yourself and your child aware of our inclement weather procedures so that no one is caught off guard by an interruption in busing service or a brief school closure. Please take a moment to visit our Inclement Weather procedures and ensure that your child is dressed for winter weather when they either ride one of our buses or walk to school on a cold day.
